

Nevada Veterans Memorial Plaza

December 2023

Dear Supporter,

While at the memorial this year, conducting routine maintenance, I encountered a family standing by the wall. Engaged in a solemn moment, they were telling their children the significance of the names inscribed on the memorial, emphasizing their place in the roll of the fallen. Our collective efforts in volunteering time and energy aim to construct a legacy of understanding and honor—a gift to the next generation. This endeavor contributes to the creation of a safe space at the Nevada Veterans Memorial Plaza for veterans, their families, and all visitors who tread upon its hallowed ground.

Would you contemplate joining us in this mission by making a financial contribution today? Currently, we find ourselves in the midst of settling the final bill of \$850,000.00. It's imperative to note that this memorial operates as a 501c3, independent of the City of Sparks or other governmental funds or personal resources. Instead, its existence is made possible by a community that recognizes the importance of commemorating the sacrifices made for the freedoms cherished daily in this country.

As we approach the conclusion of 2023 and embark on 2024, we encourage you and your family to pause and reflect on the profound gift of freedom bestowed upon us by the sacrifices of many. Take a moment to come down to the memorial and consider why this story must be told. May the upcoming year be filled with moments of hope and gratefulness.

With many blessings,

Kristopher Dahir
NVMP President/ Board Chair

"The mission of Nevada Veterans Memorial Plaza is to preserve and honor the legacy of our fallen Nevadan Service Members since 1864."
